

When driving past Hull's new Fareway Grocery Store, it can be hard to see progress. Since the building was "buttoned up" allowing for interior work over the cold winter months, the outside has not changed much. However, progress is being made and significantly more progress will be made in the next few weeks.

The main plumbing lines are in place, the concrete floor has been poured and cured, and the site is ready for so much more. Scott, the Ball Team supervisor, has several subcontractors scheduled to work on the Fareway Store over the next three weeks. While you may not see much progress on the outside, be looking for the trucks for the subcontractors.

City Administrator*

Heidi Kramer

Spring is in the air!

Tuesday, March 19th is the first day of Spring and it sure feels good to be able to say that! The seasons seem to go by quickly when working for the City in that every season brings something new. As we have mentioned in a previous newsletter & correspondence, the City of Hull has hired Kiers Plumbing to install new water meters into the homes and businesses in Hull and this project is well underway. I find it exciting to be able to better serve the City of Hull residents with this new water meter reading system. We extend our appreciation to you for your cooperation and patience as we navigate through this process!

The city has recently hired a new Garbage Operator-Andrew Hinds. Please continue to contact the City Office for all your garbage needs and your request will be forwarded to Andrew. If you see Andrew out and about, please extend him a warm welcome!

Hull Rec 2024 Registration is now available!

We offer a wide variety of activities for all ages including swimming lessons, nature activities, book clubs, baseball/softball, sand volleyball, etc. Please scan the QR codes below to register for our Spring Soccer Program. Also, our Facebook Page will have up-to-date information on all of our offerings, including the 2024 Rec Flyer.

Hull Public Library News

The library is excited to announce the addition of new board bookshelves!. These shelves make it easier for kids to look through the books and find what they are looking for. Bring the kids and let them experience how helpful the new shelves are!

The Summer Reading program is right around the corner and preparations are beginning! This year's theme is Read, Renew, Repeat! Registration will begin after school ends for the year.

We look forward to seeing you at the library!

Need a building permit? The City of Hull requires a building permit for patios, new construction, accessory buildings and remodeling projects with structural changes. Building permits are available online (cityofhull.org) or at the City Office.

The City of Hull will be flushing hydrants the end of April, or the beginning of May. Watch our social media page for exact dates.

City ordinance requires all golf carts within City limits to be registered and have a current permit decal displayed on the golf cart. If you don't have a current decal, stop in at the City Office.

Monthly testing of our warning sirens will be held the first Friday of each month, April—September, 10:00 am.

The City of Hull will be providing a Hazardous Waste Trailer on Tuesday, May 7, from 1 pm—3 pm. The trailer will be located on the old creamery lot on Main St, across from D&K Doors.

The City of Hull invites you to enjoy our beautiful parks & shelter houses. If you would like to reserve a shelter house for a gathering, please contact the City Office, 712-439-1521.

Summer is right around the corner and the City of Hull is accepting applications for lifeguards and concession stand workers.

Lifeguards need certification, which is available at the All Seasons Center in Sioux Center.

Applications can be found on our City website under documents or at the City Office.

Call 712-439-1521 for more Information.

The process and tradition of properly retiring an American flag can be taken care of at our local American Legion. Your American flag will be properly retired with the respect and gravity that it is entitled. This is a time-honored tradition and one that carries a great significance. Please drop off your retired flags in the bin outside the American Legion Room, located in the Community Building basement.

Do you have your address on your house or building?? Street address numbers are needed in an emergency and it is also Iowa law and a Hull ordinance. Make sure the numbers are visible from the street and are at least 4" in height. Install them for your safety!!
