

**From Our Economic Development Director
Doug Anderson**

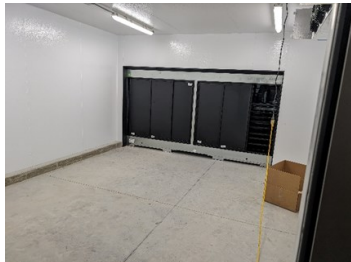

Construction of Hull's new Fareway Meat and Grocery Store is moving forward swiftly. While I am sure everyone wishes they could already be grocery shopping at the new store, it is just weeks away from opening. Fareway is expecting an opening date of mid-July. In the meantime, here are a few pictures of the progress being made.

Everyone is looking forward to Fareway's meat market. It may not look like much now, but it will soon display high-quality steaks, pork chops, chicken, and bratwurst. One of Fareway's friendly meat market associates will gladly wrap up your fresh and tasty selection.

Whether you are looking for eggs, cheese, or other dairy products you will be able to find it in these coolers. In short order this cooler will be filled with milk, cream, half and half, and coffee creamers among other items.

Water Meter Project

The new water meter system is over 75% installed. We are excited to better serve the City of Hull with this project.

With the new system we can check out the water usage of each meter on a daily basis.

We are asking each resident to contact the City Office (439-1521) with a phone number or email, so we can contact you if your meter has high usage. Thank You!

SUMMERFEST 2024

Hull's annual Summerfest Celebration will kick off Thursday, July 18 with activities for the young and the young at heart. Whether you enjoy the sweet sounding vocals of our local musicians at Music in the Park or the challenges and obstacles for teens at the Hullger Games, you are sure to have a great time.

Friday evening provides the opportunity to cruise through Hull in your classic car, enjoy good food at the Fireman's Feed or be spellbound by the Hull Summer Theater performance of *Aladdin & His Wonderful, Magical Lamp*.

You won't go hungry on Saturday either with the Legion Pancake Breakfast. If you would rather begin your day with a workout, Hull EMS is sponsoring a 5K race to raise funds for a new ambulance. A carnival, food trucks, bean bag tournament, and a vendor fair will all be at Westside Park throughout the day. Of course, Summerfest simply wouldn't be Summerfest without Northwest Iowa's Largest Candy Parade. You can dance the night away at Hull's second annual street dance featuring Soulroot.

Wrap your weekend up by worshiping with your neighbors at the Community Worship Service held at Hesla Field.

LIBRARY NEWS

The Summer Reading Program is in full swing at the library! There is still time to join the fun. Kids will keep reading logs and be able to participate in special events. The program caps off with a private pool party free to all kids who complete their goals! Visit the library for more information!!

A valid driver's license is required to operate a golf cart in Hull!

City ordinance requires all golf carts within City limits to be registered and have a current permit decal displayed on the golf cart.

If you don't have a current decal, stop in the City Office.

Home Repair Program Available

Siouxland Habitat for Humanity is currently receiving applications for its Home Repair Program in Sioux County. The purpose of this program is to help homeowners maintain their homes and keep their community thriving. This program offers needed home maintenance and repair to existing homeowners who meet income eligibility guidelines. The program's focus is exterior work and accessibility to preserve your home and your ability to live in the home. For more information visit siouxlandhabitat.org or call Jeff at 712-224-5117.

Enjoy your summer!!

REMINDERS

Per our City ordinance, it is unlawful to mow your grass onto the City street. Please help keep our storm drains free of grass and debris!

Need a building permit? The City of Hull requires a building permit for patios, new construction, accessory buildings and remodeling projects with structural changes. Building permit forms are available online (cityofhull.org) or at the City Office.

Your sump pump is not allowed to drain into the sanitary sewer system. It may drain into the storm sewer system, your property or the street. See our City website for a detailed explanation. (cityofhull.org)

EMTs / Drivers Needed!!

Cody Kiers, President, Hull Ambulance

Hull Ambulance is looking for volunteers. We are currently seeking help for Drivers & EMTs. Some of our current outstanding members are taking several shifts per week and would love to have more help. Drivers need to fulfill a short training course and several ride-alongs. EMTs need to take the EMT course or we accept Registered Nurses that take a RN to EMT course. Members are required to take one shift per week and one weekend every two months. We have one meeting per month with training. This is a great way to serve your community and you are needed! If you are interested, talk to a Hull Ambulance member or contact the City Office. Applications are available at cityofhull.org (documents).

THE SWIMMING POOL IS OPEN!

Information on daily rates and season passes are available on the City of Hull Facebook page or call the Swimming Pool at 712-439-2921.

Hours: Mon -Fri: 1—8 PM
Saturday: 1—5 PM
Sunday: Closed

Lifeguards and Concession Stand workers are still needed!!
